REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or fairly teach a saw, for masonry or other materials, with a shroud surrounding the saw blade and attached to a vacuum, a movable grated table, below which is a compartment for heavy particles and a vacuum chamber for lighter particles. The closest art of record, to Swan, US005172680A discloses a shroud surrounding the saw blade and table, but the vacuum is only attached to that part of the shroud surrounding the blade. Gorgol et al, US006273081B1, discloses a table having an opening to allow particles to be removed by a vacuum, but does not disclose removing particles from the hood surrounding the blade.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
